

CITY OF LEON VALLEY  
INTEROFFICE MEMORANDUM

**DATE:** September 19, 2023  
**TO:** Mayor Chris Riley and City Council Members  
**FROM:** Crystal Caldera, City Manager  
**SUBJECT:** Pre-City Council Meeting Report

**Projects**

In addition to outside agency review constraints, these projects may also be delayed by weather and supply chain slowdowns.

**Seneca West Drainage Project**

The contractor has moved to Phase 2 of the project, which is the section between Aids Drive and Grass Hill. Grass Hill Drive is closed to through traffic from William Rancher to Samaritan Drive. The contractor is installing wingwalls, base, and rip rap, and then paving certain sections.

**(MPO) Reimbursement Grant-Huebner Creek Greenway Hike & Bike Trail Section II**

We are in the process of engineering and design. We are trying to have plans ready by September.

**Year 6 Street Maintenance**

The contractor will start the work this week. Hangtags are being placed on doors 72 hours prior to any streets being worked.

Forest Ledge, Stable, and Pacer Trail	September 19th – 22nd
Poss, between Bandera & Grissom	September 25th – Sept. 28th
El Verde	September 20th – Oct. 2nd
Seneca, between Evers and Bandera	Oct. 6th – Oct. 9th
Timco West	Oct. 11th – Oct. 12th

**Huebner Road School Zone**

The delivery of the mast arms for the signal is expected in 18-24 weeks. This pushes the installation of the equipment to the December/January time frame. They will let us know if the delivery date changes, but I don't expect that to happen. The good news is that the lights are solar

powered, so we won't have to wait on CPS Energy to supply power, which would take about as long or longer

### **FIRE DEPARTMENT**

- The Fire Department has seen a sharp rise in narcotic overdoses in our area. This current streak involves heroin mixed with fentanyl. Our Medical Director, Dr. Sparkman, is working with our department to be able to hand out Narcan nasal spray to endangered residents who pose an overdose risk. This medication will be dispensed through the Office of the Medical Director at UT Health.
- The Fire Department continues to battle with smaller fires in homeless camps and in areas inhabited by the homeless. While the last few have been smaller fires, the potential for larger fires is always there. The creeks and drainage ditches are where we see the most.
- The Fire Department has seen a large increase in COVID-related calls and requests for service. This increase is affecting ambulance availability as it takes almost an hour to get crews and equipment back into service following these encounters.
- Firefighter/Paramedic Steven Keith participated in the 911 Memorial Tower climb representing LVFD along with former LVFD firefighters.
