EXECUTIVE ORDER GA 28

*Relating to the targeted response to the COVID-19 disaster
as part of the reopening of Texas.*

WHEREAS, I, Greg Abbott, Governor of Texas, issued a disaster proclamation on March 13, 2020, certifying under Section 418.014 of the Texas Government Code that the novel coronavirus (COVID-19) poses an imminent threat of disaster for all counties in the State of Texas; and

WHEREAS, in each subsequent month effective through today, I have renewed the disaster declaration for all Texas counties; and

WHEREAS, the Commissioner of the Texas Department of State Health Services (DSHS), Dr. John Hellerstedt, has determined that COVID-19 continues to represent a public health disaster within the meaning of Chapter 81 of the Texas Health and Safety Code; and

WHEREAS, I have issued executive orders and suspensions of Texas laws in response to COVID-19, aimed at protecting the health and safety of Texans and ensuring an effective response to this disaster; and

WHEREAS, I issued Executive Order GA-08 on March 19, 2020, mandating certain social-distancing restrictions for Texans in accordance with guidelines promulgated by President Donald J. Trump and the Centers for Disease Control and Prevention (CDC); and

WHEREAS, I issued Executive Order GA-14 on March 31, 2020, expanding the social-distancing restrictions for Texans based on guidance from health experts and the President; and

WHEREAS, I subsequently issued Executive Orders GA-16, GA-18, GA-21, GA-23, and GA-26 from April through early June 2020, aiming to achieve the least restrictive means of combatting the threat to public health by continuing certain social-distancing restrictions, while implementing a safe, strategic plan to Open Texas; and

WHEREAS, as Texas reopens in the midst of COVID-19, increased spread is to be expected, and the key to controlling the spread and keeping Texas residents safe is for all Texans to consistently follow good hygiene and social-distancing practices, especially those set forth in the minimum standard health protocols from DSHS; and

WHEREAS, due to recent substantial increases in COVID-19 positive cases, and increases in the COVID-19 positivity rate and hospitalizations resulting from COVID-19, targeted and temporary adjustments to the reopening plan are needed to achieve the

least restrictive means for reducing the growing spread of COVID-19 and the resulting imminent threat to public health, and to avoid a need for more extreme measures; and

WHEREAS, everyone must act safely, and to that end, this executive order and prior executive orders provide that all persons should follow the health protocols from DSHS, which whenever achieved will mean compliance with the minimum standards for safely reopening, but which should not be used to fault those who act in good faith but can only substantially comply with the standards in light of scarce resources and other extenuating COVID-19 circumstances; and

WHEREAS, the “governor is responsible for meeting ... the dangers to the state and people presented by disasters” under Section 418.011 of the Texas Government Code, and the legislature has given the governor broad authority to fulfill that responsibility; and

WHEREAS, failure to comply with any executive order issued during the COVID-19 disaster is an offense punishable under Section 418.173 by a fine not to exceed \$1,000, and may be subject to regulatory enforcement;

NOW, THEREFORE, I, Greg Abbott, Governor of Texas, by virtue of the power and authority vested in me by the Constitution and laws of the State of Texas, and in accordance with guidance from DSHS Commissioner Dr. Hellerstedt and other medical advisors, the Governor’s Strike Force to Open Texas, the White House, and the CDC, do hereby order the following on a statewide basis effective at noon on June 26, 2020:

14. In providing or obtaining services, every person (including individuals, businesses, and other legal entities) should use good-faith efforts and available resources to follow the minimum standard health protocols recommended by DSHS;
15. Nothing in this executive order or the DSHS minimum standards precludes requiring a customer to follow additional hygiene measures when obtaining services. Individuals are encouraged to wear appropriate face coverings, but no jurisdiction can impose a civil or criminal penalty for failure to wear a face covering;
16. People shall not visit nursing homes, state supported living centers, assisted living facilities, or long-term care facilities unless as determined through guidance from the Texas Health and Human Services Commission (HHSC). Notwithstanding anything herein to the contrary, schools may conduct graduation ceremonies consistent with the minimum standard health protocols found in guidance issued by TEA.

Notwithstanding anything herein to the contrary, the governor may by proclamation add to the list of establishments or venues that people shall not visit.

This executive order shall supersede any conflicting order issued by local officials in response to the COVID-19 disaster, but only to the extent that such a local order restricts services allowed by this executive order, allows gatherings prohibited by this executive order, or expands the list or scope of services as set forth in this executive order. Pursuant to Section 418.016(a) of the Texas Government Code, I hereby suspend Sections 418.1015(b) and 418.108 of the Texas Government Code, Chapter 81, Subchapter E of the Texas Health and Safety Code, and any other relevant statutes, to the extent necessary to ensure that local officials do not impose restrictions in response to the COVID-19 disaster that are inconsistent with this executive order, provided that local officials may enforce this executive order as well as local restrictions that are consistent with this executive order.

All existing state executive orders relating to COVID-19 are amended to eliminate confinement in jail as an available penalty for violating the executive orders. To the extent any order issued by local officials in response to the COVID-19 disaster would allow confinement in jail as an available penalty for violating a COVID-19-related order, that order allowing confinement in jail is superseded, and I hereby suspend all relevant laws to the extent necessary to ensure that local officials do not confine people in jail for violating any executive order or local order issued in response to the COVID-19 disaster.

This executive order supersedes Executive Order GA-26, but does not supersede Executive Orders GA-10, GA-13, GA-17, GA-19, GA-24, GA-25, or GA-27. This

WHEREAS, I have joined the medical experts in consistently encouraging people to use face coverings, and health authorities have repeatedly emphasized that wearing face coverings is one of the most important and effective tools for reducing the spread of COVID-19; and

WHEREAS, given the current status of COVID-19 in Texas, requiring the use of face coverings is a targeted response that can combat the threat to public health using the least restrictive means, and if people follow this requirement, more extreme measures may be avoided; and

WHEREAS, wearing a face covering is important not only to protect oneself, but also to avoid unknowingly harming fellow Texans, especially given that many people who go into public may have COVID-19 without knowing it because they have no symptoms; and

WHEREAS, the “governor is responsible for meeting ... the dangers to the state and people presented by disasters” under Section 418.011 of the Texas Government Code, and the legislature has given the governor broad authority to fulfill that responsibility; and

NOW, THEREFORE, I, Greg Abbott, Governor of Texas, by virtue of the power and authority vested in me by the Constitution and laws of the State of Texas, do hereby order the following on a statewide basis effective at 12:01 p.m. on July 3, 2020:

Every person in Texas shall wear a face covering over the nose and mouth when inside a commercial entity or other building or space open to the public, or when in an outdoor public space, wherever it is not feasible to maintain six feet of social distancing from another person not in the same household; provided, however, that this face-covering requirement does not apply to the following:

the Texas Division of Emergency Management (TDEM) regarding minimal cases of COVID-19, and (b) whose county judge has affirmatively opted-out of this face-covering requirement by filing with TDEM the required face-covering attestation form—provided, however, that wearing a face covering is highly recommended, and every county is strongly encouraged to follow these face-covering standards.

Not excepted from this face-covering requirement is any person attending a protest or demonstration involving more than 10 people and who is not practicing safe social distancing of six feet from other people not in the same household.

TDEM shall maintain on its website a list of counties that are not subject to this face-covering requirement pursuant to paragraph number 11. The list can be found at: www.tdem.texas.gov/ga29.

Following a verbal or written warning for a first-time violator of this face-covering requirement, a person's second violation shall be punishable by a fine not to exceed \$250. Each subsequent violation shall be punishable by a fine not to exceed \$250 per violation.

Local law enforcement and other local officials, as appropriate, can and should enforce this executive order, Executive Order GA-28, and other effective executive orders, as well as local restrictions that are consistent with this executive order and other effective executive orders. But no law enforcement or other official may detain, arrest, or confine in jail any person for a violation of this executive order or for related non-violent, non-felony offenses that are predicated on a violation of this executive order; provided, however, that any official with authority to enforce this executive order may act to enforce trespassing laws and remove violators at the request of a business establishment or other property owner.

This executive order hereby prohibits confinement in jail as a penalty for the violation of any face-covering order by any jurisdiction.

Executive Order GA-28 is hereby amended to delete from paragraph number 15 the phrase: “, but no jurisdiction can impose a civil or criminal penalty for failure to wear a face covering.”

The governor may by proclamation amend this executive order or add to the list of people to whom this face-covering requirement does not apply.

This executive order does not supersede Executive Orders GA-10, GA-13, GA-17, GA-19, GA-24, GA-25, GA-27, or GA-28 as amended. This executive order shall remain in effect and in full force until modified, amended, rescinded, or superseded by the governor.

BEXAR COUNTY

EXECUTIVE ORDER NW-13 OF COUNTY JUDGE NELSON W. WOLFF
ISSUED July 15, 2020

WHEREAS, pursuant to Texas Government Code Section 418.108, Bexar County Judge Nelson W. Wolff declared a state of local disaster on March 13, 2020 due to imminent threat arising from COVID-19;

WHEREAS, in accordance with Texas Government Code Section 418.108(b), on March 18, 2020, the Bexar County Commissioners Court approved an Order Continuing Declaration of State of Local Disaster for Bexar County and on June 16, 2020, the Bexar County Commissioners Court again approved a Second Order Continuing Declaration of State of Local Disaster for Bexar County (hereafter, the "*Second Order of Continuation of Declaration*");

WHEREAS, in accordance with Texas Government Code Section 418.108(b), the consent by Commissioners Court authorizes the Bexar County Judge to continue to exercise the powers granted by the Texas Disaster Act of 1975 for the period specified and take such actions as are necessary in order to protect the health, safety and welfare of the citizens of Bexar County by the issuance of executive orders (each, an "*Executive Order*");

WHEREAS, there currently still exists a declaration of public health disaster in and for the State of Texas as declared by Texas Governor Greg Abbott and the Texas Department of State Health Services (DSHS) and the transmission of COVID-19 has not dissipated but remains a significant threat to the health and safety of the Bexar County Community and rates of infection are increasing at an alarming exponential rate and the number of people ending up in the hospital, ICU, or on ventilators is also dramatically rising despite efforts by local authorities to control the spread;

WHEREAS, in consultation with local health professionals, the County Judge has determined that additional extraordinary emergency measures must be implemented to try and mitigate the effects of this public health emergency and to facilitate a response to the public health threat presented by the rapid increase in COVID-19 cases in Bexar County;

WHEREAS, a County Judge is authorized to control ingress to and egress from a disaster area and control the movement of persons and occupancy of premises on an appropriate local scale in accordance with Section 418.108(g) of the Texas Government Code and his authority as Emergency Management Director;

WHEREAS, it is the intent of this Executive Order to remain as consistent with and to harmonize, to the extent possible, the executive orders of Governor Greg Abbott and the current declaration of the Mayor of the City of San Antonio (as extended or modified); and

WHEREAS, by the authority vested in me as Bexar County Judge and as the Emergency Management Director for the County of Bexar to continue to protect the health and safety of the community and address developing and rapidly changing circumstances when presented by the current public health emergency, I hereby rescind my previous Executive Orders and any Supplemental Executive Orders and issue this revised Executive Order in their place.

PURSUANT TO THE TEXAS DISASTER ACT OF 1975, BEXAR COUNTY JUDGE NELSON W. WOLFF HEREBY ISSUES THIS EXECUTIVE ORDER AS FOLLOWS:

Effective as of 5:00 p.m. on Wednesday, July 15, 2020 (“*Effective Date*”), and continuing through 11:59 p.m. on Wednesday, August 12, 2020 unless extended, modified or terminated early by Bexar County Judge Nelson W. Wolff or as otherwise indicated below:

- I. **Public Health Emergency.** That this Executive Order shall continue the local disaster declaration and public health emergency for Bexar County for the period specified in this Executive Order and shall incorporate and adopt the most recent executive order GA-26 issued by Governor Greg Abbott on June 3, 2020, and any subsequent orders by the Governor relating to the response to the COVID-19 disaster.
- II. **Health and Safety Policy – Commercial Entities.** From the date of this Executive Order, all commercial entities in Bexar County providing goods or services directly to the public must develop and implement a health and safety policy (“*Health and Safety Policy*”). The Health and Safety Policy must require, at a minimum, 1) that all employees, customers and other visitors to the commercial entity’s business premises or other facilities wear face coverings when in an area or performing an activity which will necessarily involve close contact or proximity to co-workers or the public where six feet of separation is not feasible, and 2) that the commercial entity prominently display a list of COVID-19 symptoms at or near the public and employee entrances of the premises. The Health and Safety Policy required to be developed and implemented by this Executive Order may also include the implementation of other mitigating measures designed to control and reduce the transmission of COVID-19 such as temperature checks or health screenings. Temperature screening is highly encouraged for employees, customers and for visitors to retail stores with volume and capacity levels that allow for practical implementation. Commercial entities must post the Health and Safety Policy required by this Executive Order in a conspicuous location sufficient to provide notice to employees, customers and visitors of all health and safety requirements. Failure to develop and implement the Health and Safety Policy required by this Executive Order may result in a fine not to exceed \$1,000 for each violation.
- III. **Face Coverings – General Public.** In accordance with executive order GA-29, that every person 10 years or older in Bexar County shall wear a face covering over the nose and mouth when inside a commercial entity or other building or space open to the public, or when in an outdoor public space, wherever it is not feasible to maintain six feet of social distancing from another person not in the same household or when working in areas that

involve close proximity with other coworkers. The CDC advises face coverings for people 2 years or older. Face coverings may include homemade masks, scarfs, bandanas, or a handkerchief. Bexar County residents should continue to maintain social distancing of at least six feet while outside their home. Bexar County employees are also required to wear face coverings under the same circumstances as the general public.

Following a verbal or written warning for a first-time violator of this face covering requirement, a person's second violation shall be punishable by a fine not to exceed \$250. Each subsequent violation shall be punishable by a fine not to exceed \$250 per violation.

IT IS STRONGLY RECOMMENDED THAT YOU NOT OBTAIN OR WEAR MEDICAL MASKS or N-95 RESPIRATORS AS THEY ARE A NEEDED RESOURCE FOR HEALTH CARE PROVIDERS AND FIRST RESPONDERS. Our healthcare workers and first responders on the front-line combating COVID-19 must have priority access to medical masks or other personal protective equipment. Face coverings do not need to be worn by:

- any person younger than 10 years of age (though strongly encouraged);
- any person with a medical condition or disability that prevents wearing a face covering;
- any person while the person is consuming food or drink, or is seated at a restaurant to eat or drink;
- any person while the person is (a) exercising outdoors or engaging in physical activity outdoors, and (b) maintaining a safe distance from other people not in the same household;
- any person while the person is driving alone or with passengers who are part of the same household as the driver;
- any person obtaining a service that requires temporary removal of the face covering for security surveillance, screening, or a need for specific access to the face, such as while visiting a bank or while obtaining a personal care service involving the face, but only to the extent necessary for the temporary removal;
- any person while the person is in a swimming pool, lake, or similar body of water;
- any person who is voting, assisting a voter, serving as a poll watcher, or actively administering an election, but wearing a face covering is strongly encouraged;
- any person who is actively providing or obtaining access to religious worship, but wearing a face covering is strongly encouraged; or
- any person while the person is giving a speech for a broadcast or to an audience.

Please note that face coverings are a secondary strategy to other mitigation efforts. **Face coverings are *not* a replacement for social distancing, frequent handwashing, and self-isolation when sick.** All people should follow CDC recommendations for how to wear and take off a mask. Residents should keep up the following habits while in public:

- washing hands before you leave home and when you return,
- staying at least six feet away from others,
- avoiding touching nose or face,
- not using disposable masks more than three times, and
- washing reusable cloth masks regularly to prevent the spread of the virus.

Consistent with Executive Order GA-26 issued by Governor Greg Abbott, no civil or criminal penalty will be imposed on individuals for failure to wear a face covering.

IV. **Large Gatherings Prohibited.** Large gatherings or events estimated to be in excess of 10 people, whether indoor or outdoor, are prohibited.

Exceptions from this prohibition are listed below in (1) through (13):

1. Any services listed by the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (CISA) in its Guidance on the Essential Critical Infrastructure Workforce

4. Child-care services

10. Museums and libraries
11. Zoos, aquariums, natural caverns, and similar facilities
12. Rodeos and equestrian events,
13. Amusement parks and carnivals

An entity or organizer of any large gathering or event under excepted activities (6) through (13) must implement a health and safety policy which requires that all employees, visitors, or customers to the entity or organizer's premises or other facilities wear face coverings when in an area or performing an activity which will necessarily involve close contact or proximity to co-workers or the public where six feet of separation is not feasible, temperature/symptom screening, and protocols for maintaining social distancing during the gathering. These requirements for large gatherings or events are effective Friday, July 3, 2020 beginning at 12:00 p.m.

V. **Household and Social Gatherings.** Social gatherings, including family gatherings, shall not include more than 10 persons.

VI. **Restaurants.** For dine-in services by restaurants that have less than 51 percent of their gross receipts from the sale of alcoholic beverages, such restaurants may only operate at up to 50 percent of the total listed occupancy of the restaurant.

- VIII. **Rafting and Tubing Services.** People shall not use commercial rafting or tubing services, including rental of rafts or tubes and transportation of people for the purpose of rafting or tubing.
- IX. **Hospitals and Surgical Procedures.** Every hospital that is licensed under Chapter 241 of the Texas Health and Safety Code, located in the City of San Antonio, shall postpone all surgeries and procedures that are not medically necessary to diagnose or correct a serious medical condition of, or to preserve the life of, a patient who without timely performance of the surgery or procedure would be at risk for serious adverse medical consequences or death, as determined by the patient's physician; provided, however, that this prohibition shall not apply to any surgery or procedure that, if performed in accordance with the commonly accepted standard of clinical practice, would not deplete any hospital capacity needed to cope with the COVID-19 disaster.
- X. **Bexar County Justice Center Complex and Facilities.** That the Bexar County Justice Center Complex shall have limited points of access, subject to modification as deemed necessary by the County Judge: i) the Paul Elizondo Tower Nueva Street entrance; ii) one at the Cadena-Reeves Justice Center Dolorosa Street entrance; iii) the Bexar County Courthouse Bexar Heritage Center entrance; and iv) the County Courthouse South entrance at the Nueva Street entrance, and that all other county-owned or leased buildings have a single controlled point of entrance. Further, all citizens and employees shall be appropriately screened before entering any Bexar County owned or leased building. At the control points, citizens and employees shall be asked certain risk-related questions and their temperature taken by least obtrusive means. Any individual with a temperature exceeding 100 °F or who fails the screening process will be not be allowed to enter the building. Citizens are encouraged to call the department or office you are attempting to visit prior to visiting a county-owned or leased facility. All social distancing measures must be implemented at the above-described control points and while in any Bexar County facility.
- XI. **Bexar County Business.** That residents of Bexar County conduct important Bexar County business online or via regular mail to avoid visiting any Bexar County facilities unless absolutely necessary.
- XII. **Severability.** The sections, paragraphs, sentences, clauses and phrases of this Executive Order are severable and if any phrase, clause, sentence, paragraph or section of this Executive Order should be declared invalid by the final judgment or decree of any court or competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections that can be given effect without the invalid provision, and to this end, the provisions of this Executive Order are severable.
- XIII. **Interpretation and Additional Terms.** To the greatest extent possible, this Executive Order shall be interpreted as consistent with and supplemental to any executive order issued by the Texas Governor. All provisions of the executive orders of the Texas Governor either existing or as, if and when issued, which are made applicable to all jurisdictions by law shall be automatically incorporated into and constitute terms of this Executive Order, enforceable as if set forth herein without necessity for the issuance of any further orders.

XIV. **Enforcement.** In accordance with the limitations contained in the executive orders of Governor Greg Abbott or this Executive Order, that any peace officer or other person with lawful authority is hereby authorized to enforce the provisions of this Executive Order in accordance with the authority granted under the Texas Disaster Act of 1975.
