

LETTER FROM MAYOR CHRIS RILEY
06/17/2022

CITY COUNCIL MEETING MOVED TO JUNE 18TH

This week I was informed that three council members had work and vacation conflicts and could not attend the June 21st regularly scheduled city council meeting. Rather than cancel the meeting outright, we moved the June 21st meeting to June 18th at 5:30 pm (after the all day city council retreat), so a quorum could be present.

By this action, we are able to approve four agenda items which were already discussed and agreed to be approved. Additionally, there is a time sensitive issue for council to consider an ordinance accepting an \$8,500 grant from the U.S. Department of Justice for bullet proof vests for our Leon Valley police officers. The necessary second reading will be at the July 12th meeting, which is before the deadline to accept the grant.

Several items planned for the June 21 agenda will be moved to the July 12th meeting, including the appointment of members to 8 city committees.

WANTED: 4TH OF JULY PARADE PARTICIPANTS

There are still openings for any organization, band, non-profit group or creative entity to participate in the 4th of July parade! The parade will take place on Monday, July 4th, beginning at 7 pm, leaving from the Department of Public Safety on Huebner road. For more information, please call (210) 812-3328, Crystal Miranda, Community Relations Director. There is no charge for an entry.

JUST A REMINDER.....

***AQUATIC FITNESS CLASSES HAVE BEEN SCHEDULED.**

Where: Forest Oaks Pool – 6620 Evers Road

When: Sunday – Wednesdays

Time: 9:15- 10:15 AM
Cost: \$5 per class
Led by Thomas Shipman

****CALLING ALL VOLUNTEERS – Please consider giving back 1-2 hours per month of your time, talent and expertise to a city committee.** Please call City Secretary Passailaigue at (210) 812-3316 to ask her to send you an updated volunteer form. Deadline is as soon as possible. **THANK YOU!**

CORRECTION: In the June/July Lions Roar, on page 2, the date Dr. Caldera presented the Fiscal Year 2022 budget to council and citizens, should have read August, 2021, not August 2022.

We are experiencing consistent 100 degree temperatures earlier than usual. Please conserve energy by setting your thermostats at 78 degrees or higher to help avoid any rolling blackouts this summer. This is recommended by CPS. Also, please take care of yourselves, including pets, to avoid experiencing heat exhaustion. See the tips in today's ENEWS.

Have a great weekend and please stay safe. Please contact me or any of your council members if you have a question or concern. We are here to serve you.

Sincerely, Chris
